

Editing account details

You can update your Weedmanager account details, such as your email address, password, username and contact details.

Log in to WEEDMANAGER

1. Click on "My Account" on the menu bar.

2. A form will load where you can update whatever account details you want to change.

A screenshot of the account details form. It contains fields for 'Current password', 'Email address', 'Username', 'Password', and 'Confirm password'. There are also checkboxes for 'Status' (Inactive, Active) and 'Roles' (Authenticated user, Administrator, Weedmanager App). A red arrow points to the 'Save' button at the bottom left of the form.

3. Click the blue "Save" button at the bottom of the form to save your changes.
