

Editing account details

You can update your Weedmanager account details, such as your email address, password, username and contact details.

Log in to WEEDMANAGER

1. Click on "My Account" on the menu bar.

2. A form will load where you can update whatever account details you want to change.

Current password

Required if you want to change the Email address or Password below. [Reset your password](#)

Email address *

A valid email address. All emails from the system will be sent to this address. The email address is not made public and will only be used if you wish to receive a new password or wish to receive certain news or notifications by email.

Username *

Several special characters are allowed, including space, period (.), hyphen (-), apostrophe ('), underscore (_), and the @ sign.

Password

Password strength:

Confirm password

Passwords match:

To change the current user password, enter the new password in both fields.

Status

☐ Blocked

☒ Active
